MADISON METROPOLITAN
SCHOOL DISTRICT

Lindbergh Elementary is a small, neighborhood school with staff, students, families and community partners dedicated to creating a thriving school community on the North side of Madison. Our Lindbergh Flyers love to learn and grow! We have small class sizes which enables our students to have strong relationships with staff and their classmates. We know strong relationships set the foundation for our students to take risks as learners. At Lindbergh, we believe in continuous growth. Both staff and students work toward reaching their goals. This year we will dive deeper into the work we have been doing around reaching all learners, specifically looking at incorporating culturally responsive practices. We will have students and staff deep in learning throughout the year. Please stop by and see our hard work in action.

School Principal: Lindsay Maglio

Equity Vision

At Lindbergh, equity means high expectations for students and staff. We provide supports that each student needs to be successfully engaged in rigorous meaningful opportunities, and give students an equitable chance to succeed by growing the unique talents and gifts of each child.

Strengths

Our school is a community of diverse learners where our differences are celebrated. We have experienced teachers dedicated to our students and small class sizes which lead to strong relationships. We are proud of the growth our students made in reading achievement over the past two years and are looking forward to continuing the work next year.

Progress

This year Lindbergh made progress toward improving our core reading instruction and using data to drive instruction. We started academic success nights with links to learning to help us partner further with families. Our staff continued our equity work to become more culturally responsive educators for our students.

Area for Growth

This year we will continue to work on teaching rigorous reading standards and are excited to implement our new math curriculum. We will create learning partnerships with students and make sure to provide specific feedback so students know how to reach their learning goals. We will also continue our academic success nights for our families this year.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.

Strategic Framework Goal #1 Milestones: On-Track to Graduate

Each bar shows the percent of students meeting the relevant metric overall and for the focus group the school selected on their School Improvement Plan (SIP) when applicable.

Strategic Framework Goal #2 Milestones: Challenging and Well-Rounded Education

Participation rates are based on transcribed courses.

When no goal for the measure has been set "No Goal" will be displayed in the bar.

Strategic Framework Goal #3 Milestones: Positive Climate

Each bar shows the percent of responses within each dimension that were positive overall. When no goal for the measure has been set "No Goal" will be displayed in the bar.
