

School Profile: Lindbergh Elementary School

Introduction

Lindbergh Elementary School is a small neighborhood school with staff, students, families and community partners dedicated to creating a thriving school community on the north side of Madison. Lindbergh Flyers love to learn and grow! At Lindbergh, our School Improvement Plan (SIP) is designed to produce results. We will focus on the products our students create, particularly through our writing instruction, which is aligned to the Common Core writing standards. We will track progress and growth using data to drive our decisions. Teams and purposeful planning will allow us to collaboratively problem solve with our students' wellbeing at the center of our work. Feel free to stop by and see our hard work in action.

Strengths

Our school is a community of diverse learners where our differences are celebrated. We have experienced teachers dedicated to our students and small class sizes. We have built and will continue to work on nurturing strong relationships between staff, students, families and community partners.

Progress

This past year, Lindbergh made progress toward improving our core instruction, specifically in reading and using data to drive instruction. We created stronger family and community partnerships. Our work on instructional coaching and teacher teams led to improvement in teacher-led instruction, resulting in increased student growth.

Areas for Growth

This year we will work further on our use of data, specifically formative assessments to drive instruction. We will continue to work on modeling instruction, but through teaching the writing process. We will also work on integrating technology in the classroom and strengthening our partnerships with parents.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence and community connection. Through these skills and abilities, our students will graduate college, career and community ready.

School Principal: Lindsay Maglio

Special Education	16%

Strategic Framework Goal #1 Milestones: On-Track to Graduate

Each bar shows the percent of students meeting the relevant metric overall and for the focus groups the school selected on their School Improvement Plan (SIP, when applicable).

PALS includes English and Espanol in Grades 1-2. MAP includes Grades 3-5. MAP Growth is based on the percent of students meeting typical Fall to Spring growth targets.

Strategic Framework Goal #2 Milestones: Challenging and Well-Rounded Education

The table below shows the percent of students meeting the relevant metric.

Participation rates are based on transcribed courses.

Strategic Framework Goal #3 Milestones: Positive Climate

The table below shows the percent of responses within each dimension and group that were positive.
